Item No. 2

Discussion and possible motion on the proposal of the 2017 Historic Greenport Inventory Project, to be submitted to the Trustees of the Village of Greenport for their approval. The Village of Greenport Historic Preservation Commission, in collaboration with the Village Board of Trustees and the Stirling Historical Society, propose that 2017 is the year to produce the third in succession 20-year inventory of historic structures and sites in the Village. This inventory would follow the visual and information formats from the earlier inventory gatherings of 1977 and 1997. The scope of this project could be expanded to include single views of all Greenport structures.
