The Village of Greenport recently passed a rental permit law.

The primary intent of this law is to prevent unsafe conditions arising from the rental of dwelling units that are sub-standard, or in violation of the NY State Code or rules and regulations, or the Greenport Village Code.

The Village is in the process of creating the corresponding application for all existing and future rentals.

Once completed, the application will be available at Village Hall, located at: 236 Third Street, and on the Village website: villageofgreenport.org.
