

# 2016-2017 SNOW PREPARATION TIPS

**The Village of Greenport kindly asks the following of its residents:**

1. Please remove cars from the road, to facilitate plowing and help keep our crews and residents safe.
2. Maintain your sidewalk, for your own safety and that of all our residents.
3. Please check on your neighbors, especially the elderly and those with special needs.

Most importantly, do not drive on the road unless absolutely necessary!

## **ALL NIGHT PARKING & SNOW REMOVAL**

**All Night Parking** is prohibited on any road or street when a snowfall in the amount of two (2) inches or more is predicted. Should parking occur, vehicles may be ticketed and towed at the owner's expense.

**Snow Removal** on all residential and commercial sidewalks is to be removed within twenty-four hours after a snowfall. If the snow is not promptly removed a summons may be issued.

**Thank you in advance for your cooperation!**
