VILLAGE OF GREENPORT
COUNTY OF SUFFOLK  STATE OF NEW YORK

BOARD OF TRUSTEES
REGULAR SESSION

Third Street Firehouse
Greenport, New York

April 25, 2019
7:00 P.M.

BEFORE:

GEORGE HUBBARD, JR. - MAYOR
JACK MARTILOTTA - DEPUTY MAYOR
PETER CLARKE - TRUSTEE
MARY BESS PHILLIPS - TRUSTEE
JULIA ROBINS - TRUSTEE

JOSEPH PROKOP - VILLAGE ATTORNEY
SYLVIA PIRILLO - VILLAGE CLERK
PAUL PALLAS - VILLAGE ADMINISTRATOR
(The meeting was called to order at
7:00 p.m.)

MAYOR HUBBARD: Okay. I'll call the meeting
to order. Pledge to the flag.

(All stood for the Pledge of Allegiance)

MAYOR HUBBARD: Please remain standing for a
moment of silence for Gordon E. Baylis and
Frances J. Borrelli.

(All remained standing for a moment of
silence.)

MAYOR HUBBARD: Thank you. Okay. We've got
quite a few announcements this evening. We've had
some changes and everything going on, so I'll go
through that. And some of these announcements
we'll be voting on later on in the agenda, just so
it's part of the -- the public knows where we're
going with this.

Walter Foote has been appointed as Chair of
the Planning Board.

Reed Kyrk has been appointed to the Planning
Board, for a term to expire April 5th, 2021.

Dolores Mei has been appointed to the
Historic Preservation Commission, for a term to
expire April 4th, 2023.
Karen Doherty has been appointed to the Historic Preservation Commission, for a term to expire on April 1st, 2024.

The Annual May Mile event will be held beginning at 10:00 a.m. on May 11th at Peconic Landing.

The Village is hosting the annual town-wide Memorial Day Parade, which is scheduled to kick off at 10 a.m. at Steamboat Corner on May 27th.

TRUSTEE PHILLIPS: 29th.

MAYOR HUBBARD: Also, we are doing the local Village parade at 8 o'clock from behind the Arcade down to the Railroad Dock with the Boy Scouts, Girl Scouts, and any community members that want to come show up to that. That's at 8 o'clock on May 27th.

Liquor License Applications: New application from La Capri Pizza, Incorporated at 135 Third Street.

Public Hearings: Wetlands Permit Application submitted by Wayne Turett and Jessica Leighton to dredge from the dock to the property at 746 Main Street has been postponed. They're still working on paperwork from I believe the DEC. They did not -- their permit had
expired, so they have to get that renewed, and then that will be put on for a later date.

That's all the announcements and public hearings that we had. So public to address the Board on any topic, including the agenda or anything else. Is there anybody from the public who would like to address the Board? Just name and address for the record.

MR. SALADINO: John Saladino, Sixth Street.

Two things. One, there's a noticeable -- I want to thank the Board. There's a noticeable difference at -- at the MTA parking lot.

MAYOR HUBBARD: Uh-huh.

TRUSTEE PHILLIPS: Uh-huh.

MAYOR HUBBARD: Very noticeable.

TRUSTEE PHILLIPS: Very noticeable.

MR. SALADINO: Dramatic. And, you know, for the folks that didn't think it would matter, the empty spaces proves them wrong. So good job. Thank you.

The other thing I would ask is, is there something the Board could share? I was at the work session when there was a presentation by an outside concern and a former Village Official. It's Resolution 4-2019-34. Is there something you
could share with us about that agreement?

MAYOR HUBBARD: Sure. Actually, I was just having a discussion with Trustee Phillips before the meeting started on the same topic.

Basically, there is no written contract at this point right now. The principals are trying to bid to win a contract. If they win the contract, we will be doing a contract written between the Village and the people that are going to do the geological surveys and everything else, and then that will be circulated amongst the Board Members and the public before we actually sign it.

What they need now is they needed a commitment to say that they had space that they could work out of Greenport. And then if they win the contract, we'll do -- if they win the bid, we'll do the contract. If they don't win the bid, there's no reason to go through and spend a lot of time and money writing up a full drawn contract, because it's not going to happen.

So that's basically why it's worded vaguely like that, just to say, yes, we are interested in the idea, but we'll have to hammer out a -- negotiate a deal if they win the bid. But they needed that to be able to move to the next step
MR. SALADINO: Okay, good. Thank you. So if the corporation wins the contract and enters into negotiation with the Village, it will be for basically what's here, for 300 feet?

MAYOR HUBBARD: Yes.

MR. SALADINO: And up to four boats, I don't really care about that. And American flag, I'm kind of hoping that works.

The only -- the only thing I might question is fueling services may be permitted with specific restrictions. I kind of remember that fueling was always restricted at that -- at the commercial dock, because there was never available spill response, and so I'm wondering why that might be entertained. It doesn't seem like best practice, unless, unless who's ever going to do the fueling, I assume Hands or somebody is going to do the fueling, provides spill response, you know, but --

MAYOR HUBBARD: Okay. Yeah, basically, I mean, originally, there were people in the Village that were selling fuel oil at the time when the code was written, so that the Village wasn't going to compete with people that were already in business doing that and take work away. There's
nobody in the Village now that is actually selling fuel from their docks and everything else. All those tanks on the docks have all been removed and there's nobody actually selling that.

So the reason we might do that, if you notice, it's not technically per code, but some of the other boats that are down there, the trucks don't go out on the dock, but they'll pull a hose out and they'll fuel a boat up and let them go.

So we need to change the code to modify that, so that a local vendor would be able to sell fuel here, instead of the boat stopping someplace else and somebody else getting the benefit of it.

That's --

MR. SALADINO: I'm not opposed to a guy selling fuel, that's not -- that's not my concern. And I'm -- and I'm not concerned about a guy that stays on the hard with a truck and hauls a hose to the boat.

I'm not even concerned about the -- I don't think I'm concerned about the fuel truck actually going out on the dock. I think it's -- I'm concerned about -- about there's no available spill -- even in local marinas, they have -- they have provision for some kind of spill response,
booms, nettings, Dawn.

If the Village Board intends to allow
fueling on that dock, even on a limited basis, I
would suggest that in the contract that you sign
with anyone, that, that might be provided.

MAYOR HUBBARD: Sure.

MR. SALADINO: Because if you have to wait
for someone to come, I don't know anybody
except -- except Miller in Calverton that even
does it. So, I mean, if you have to wait for
someone to come to clean up -- and I don't expect
a big spill, I mean, but, you know, even if
something happens, a hose breaks, a tank leaks --

MR. MILLER: I might be able to help with
that question.

MAYOR HUBBARD: Okay. Well, that's --

MR. SALADINO: When I'm done, maybe --

MAYOR HUBBARD: Yeah.

MR. SALADINO: Maybe you could answer. So
if the contractee would want to provide that, if
he intends to fuel there, or if you can get an
assurance from whoever might want to fuel there,
that they would provide some kind of --

TRUSTEE PHILLIPS: Mayor, can I --

MAYOR HUBBARD: Uh-huh.
TRUSTEE PHILLIPS: Can I just add to John's comment? There's two things. First of all, most of the tow companies, I believe, now, even for the recreational, carry some type of a -- oil spill covers, okay, to take with them, so that they can immediately deal with it.

MR. MILLER: That's correct.

TRUSTEE PHILLIPS: The other issue is that the boats that are at the Railroad Dock now have to carry water pollution insurance, which covers the Village. I know that that's an after effect, but at least it's some type of coverage, which is in -- that's part of the code, that they have to do that. We changed that a couple of years ago.

And the third thing is the actual fuel companies themselves, if we're going to do that, they need to provide us with liability and water pollution coverage as well. And I do know that at the ports that we fuel up at in Rhode Island and in New Bedford, we're required to have it stationed with a person at the fuel -- you know, they can't just -- a guy can't just put the hose into the fuel tank and leave, there actually has to be somebody stationed there the whole time.

That's part of the code, so --
MR. SALADINO: Well, my experience now with fueling boats is that the person that's running the fueling, the fuel dock, doesn't do the fueling, they don't want to --

TRUSTEE PHILLIPS: But, okay, that's not --

MR. SALADINO: They don't want to be --

TRUSTEE PHILLIPS: Those are the recreational boats, and that I can't answer. I'm only talking about the commercial guys, and I know what their requirements are. There's a different --

MR. SALADINO: Seventeen hundred gallons of diesel, whether it's in a recreational boat or a work boat --

TRUSTEE PHILLIPS: Because our code --

MR. SALADINO: -- is still 1700 gallons of diesel.

TRUSTEE PHILLIPS: I know. Our code's are different. Okay. Our requirements are different, that's all.

MR. SALADINO: I would just ask you to consider that.

TRUSTEE PHILLIPS: No, I was planning on it.

MAYOR HUBBARD: Yes, we will. And to make it a permanent thing, we would have to change the
code to do that, because it is written in the
code. So we would have a public hearing on that
to change the code to allow fueling down there.

    MR. SALADINO: Thank you.

    MAYOR HUBBARD: All right. You're welcome.

Did you want respond, or it's covered?

    MR. MILLER: Yeah, I could say it right
    on --

    MAYOR HUBBARD: Okay.

    MR. MILLER: Jimmy Miller from Miller Marine
Services.

Mary Bess hit it right on the head.

Those -- the commercial vessels have to have a
written spill response plan as part of their Coast
Guard certification, and they also have to have a
spill response container on every one of the work
boats, filled with some sweep and absorbants, and
a whole plan.

    And as far as refueling, they have to have a
    Coast Guard certified refueling plan. And
    Mary Bess is exactly right, it involves somebody
    at the stop switch, somebody at the nozzle,
    somebody to communicate. There's a whole series
    that each individual vessel has to write for their
    specific refueling plan and for a vessel response
plan. But she pretty much hit it right on the head.

MAYOR HUBBARD: Okay.

MR. MILLER: I hope that answers some of it.

MAYOR HUBBARD: Okay.

TRUSTEE PHILLIPS: Yeah, I did learn from my husband.

MS. HAMMES: Patricia Hammes, 603 Main Street, Greenport.

Just to follow up on this, I guess one question I had, based on what you all just said, is, is the idea that we're going to -- you're going to hold the space for some period of time while they're pursuing the bid? It's just the way the resolution is worded, it talks about signing an agreement, and I didn't know if the idea was that you're signing a letter of intent, or -- because, presumably, when they go to bid, they're going to need to know that they've got a backstop on whatever their plans are.

MAYOR HUBBARD: Okay. Actually, there's -- we're not holding any space, because the space that's down there right now is empty.

MS. HAMMES: Right. But if somebody came to you tomorrow with another proposal, I guess, is my
question.

    MAYOR HUBBARD: We would definitely entertain the thought of that also. This is really just saying -- the people involved in it didn't know if the Village Board would be interested at all or not. So I just wanted to get a consensus of the Board.

    MS. HAMMES: It's really like -- it's really like to show that we have -- we have an interest in this.

    MAYOR HUBBARD: Yes.

    MS. HAMMES: Okay. Well, having said all that, this is something that I would -- I would like to say that I would be supportive of. I mean, there's a lot of talk in the Village about, you know, the waterfront area and waterfront activities. I'm a big believer, as I understand that this is for an off-shore wind project, I'm a big believer and supporter of renewable energy. I know that off-shore wind can be very controversial. I have dealt with it in my prior career. But my experience has been that those projects, before they get off the ground, are very thoroughly vetted across the board environmentally and everything.
And so to me, this seems to me like it would be a great thing for the Village to use empty space in a, you know, waterfront commercial area for something that is waterfront related. So I would just say that based on what I've heard about it and I understand, I think it seems like it would be a great thing.

MAYOR HUBBARD: Okay. Thank you. Anybody else wish to address the Board?

Hubbard to sign the Agreement between the Village
of Greenport and Peconic Landing at Southold, Inc.
So moved.

TRUSTEE CLARKE: Second.

MAYOR HUBBARD: Just a question. Are we all clear with that? There was emails around today about that.

MR. PROKOP: So we received an email this -- this afternoon we received an email from Peconic Landing, and there's a consideration provision in the agreement that requires for consideration to be paid at a certain time of the approval process for the new units.

And there -- the counterproposal that they just gave us this afternoon is to pay the same amount that we proposed, but to pay it when a Certificate of Occupancy is issued.

We responded that we thought that of the -- with a counterproposal to that and we have not heard anything back. So the consideration would be the same, but there would be a slight timing difference as to when the consideration is paid.

MAYOR HUBBARD: All right. So you're still working on the contract, so we really can't vote on this as is. Yes.

MR. PROKOP: Right, we didn't -- as of 7 o'clock tonight, we hadn't heard back from
them, no.

TRUSTEE PHILLIPS: So do you want me to --

MAYOR HUBBARD: Okay.

TRUSTEE PHILLIPS: -- amend it to table?

MAYOR HUBBARD: Yes, please.

Any/all (docked) vessel(s) must be under an American Flag,

And Fueling services may be permitted with certain specified restrictions. So moved.

TRUSTEE ROBINS: Second.

MAYOR HUBBARD: Is there any other discussion on this motion?

TRUSTEE PHILLIPS: No, other than you already explained, Mayor, that this is for the beginning stages for the company to apply for a bid.

MAYOR HUBBARD: Correct.

TRUSTEE PHILLIPS: So I think that's -- I
don't know if that really needs to be in here or not. I think it's pretty self-explanatory, yes.

MAYOR HUBBARD: Yeah. I mean, I think it just says that, you know, we're going to negotiate, we're going to try to do that. Any contract, before it gets signed by me, will be going before all Board Members, reviewed by the Village Attorney and the Village Administrator, and then, at that point, if anybody has any other questions and are uncomfortable with anything, we would discuss that before I actually sign it.

TRUSTEE PHILLIPS: Okay.

MAYOR HUBBARD: It was -- this really was just, as I said before, just to move it forward, so they could try to win the bid, and, hopefully, we can move some vessels into Greenport and, you know, do some future projects.

TRUSTEE PHILLIPS: Okay. All right. As I said, the word "bid" makes me more comfortable than it originally was.

MAYOR HUBBARD: Okay.

TRUSTEE PHILLIPS: As our earlier discussion.

MAYOR HUBBARD: Yes. It's not something that they're going to hand me a contract, I'm
going to sign it, nobody's else it going to see it. There'll be full disclosure between the Village Attorney, would approve it first, and all Board Members would see it before I signed it, okay?

TRUSTEE PHILLIPS: Okay.

MAYOR HUBBARD: Any other discussion?

(No Response)

MAYOR HUBBARD: All in favor?

Okay. That concludes our regular agenda. I just want to say a thank you to people that have served on our Boards that have recently gotten off. And also the community response for people that stepped up to fill positions on vacant Boards that we had.

Sometimes we can go six months, a year trying to fill Board spots. I just want to thank everybody in the community that stepped up in two weeks notice, and we filled all -- all our Boards are completely filled now, and I'd really just -- it's a testament to the good people that live in the Village that really want to get involved in government, and we appreciate them stepping up and doing that. The whole Board appreciates it, and I'm sure the community will. And the first couple of meetings that have happened seems like a really good response, and everybody really is interested, and I just want to say thank you to everyone.

TRUSTEE ROBINS: I'll second that.

MAYOR HUBBARD: All right. No further business, I'll offer a motion to adjourn at 7:34.

TRUSTEE PHILLIPS: Second.

MUNICIPAL ADVISOR SERVICES AGREEMENT

THIS MUNICIPAL ADVISOR SERVICES AGREEMENT (the “Agreement”) is entered into as of March 22, 2019 (the “Effective Date”) between the Village of Greenport, (“Village”) and Munistat Services, Inc. (“Munistat”) (collectively referred to herein as the “Parties”).

RECITALS

WHEREAS, Munistat is a Municipal Advisory firm specializing in municipal finance and municipal government related matters; and

WHEREAS, the Village desires to engage Munistat to provide certain services relative to the issuance of the certain obligations as set forth in Appendix A (“Work Orders”), and Munistat desires to provide services to the Village in connection with such Work Orders.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. Municipal Advisory Services. The Parties hereto agree that Munistat shall provide those services set forth in the Work Orders, and Munistat’s services, as the Village’s Municipal Advisor shall be expressly limited to the services noted therein.

2. Term and Termination. This Agreement shall be effective as of the Effective Date and shall remain in effect until terminated by either party upon (30) days written notice; provided, however, that in the event of termination of any such engagement, Munistat reserves that right to assess fees for any work performed pursuant to a Work Order in accordance with the Fee Schedule set forth in Appendix B.

3. Agreement to Provide Information. The Village agrees to provide Munistat with factual, not misleading information as shall be required by Munistat in furtherance of the services set forth herein, including financial statements, budgets, and other relevant documents. The Village further agrees to not intentionally omit any material information relevant to Munistat’s provision of services. Munistat agrees to promptly amend or supplement this Agreement to reflect any material changes or additions to this Agreement, including material changes to the information provided in Sections 1, 2, 4, 6 and 7.

4. Compensation. Munistat shall receive a fee for any services rendered to the Village pursuant to this Agreement in accordance with the fee schedule set forth in Appendix B attached hereto and incorporated herein by reference.

5. Indemnity. Each party shall defend, indemnify and hold harmless the other from and against any and all claims, demands, expenses, cost or causes, arising out of or in connection with any claim, suit, action, or proceeding for personal injury, death or property damage sustained or incurred as a result of any act, failure, or default by the other party’s employee while acting within the scope of their duties as determined by this Agreement.
6. **Required Regulatory Disclosures.** Munistat is registered as a “Municipal Advisor” pursuant to Section 15B of the Securities Exchange Act and rules and regulations adopted by the United States Securities and Exchange Commission ("SEC") (Registration #867-00429) and the Municipal Securities Rulemaking Board ("MSRB") (Registration #K0114). As part of this SEC registration Munistat is required to disclose to the SEC information regarding criminal actions, regulatory actions, investigations, terminations, judgments, liens, civil judicial actions, customer complaints, arbitrations and civil litigation involving Munistat. Pursuant to MSRB Rule G-42, Munistat is required to disclose any legal or disciplinary event that is material to the Village’s evaluation of Munistat or the integrity of its management or advisory personnel. Munistat has determined that no such event exists. Copies of Munistat’s filings with the United States Securities and Exchange Commission can currently be found by accessing the SEC’s EDGAR system Company Search Page which is currently available at https://www.sec.gov/edgar/searchedgar/ companysearch.html and searching for either “Munistat Services Inc.,” or for our CIK number which is 0001608472.

The MSRB has made available on its website (www.msrb.org) a municipal advisory client brochure that describes the protections that may be provided by MSRB rules and how to file a complaint with the appropriate regulatory authority.

7. **Disclosure of Conflicts of Interest.** The Village acknowledges that it has received those disclosures set forth and contained within Appendix C attached hereto and incorporated herein by reference. The Village further acknowledges that it has been given the opportunity to raise questions and discuss such disclosures with Munistat and that it fully appreciates the nature of such disclosures and any and all conflicts noted therein. The Village hereby waives such conflicts and authorizes Munistat to provide services pursuant to this Agreement. From time to time, Munistat may provide additional conflict of interest disclosures to the Village as noted in Appendix C. In this regard, Village hereby authorizes the Treasurer to acknowledge and/or waive any such additional conflict of interest disclosures of Munistat on behalf of the Village.

Munistat certifies, under penalty of perjury, that it has and implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Our policy meets the requirements of section 201-g of the Labor Law.

We will also be responsible for the filing of all Notices of Material Events with the SEC's Designated Information Repositories.
APPENDIX B

FEE SCHEDULE

The all inclusive fee for our services will be $3,500. The administrative and out-of-pocket costs, such as postage, word processing, overnight delivery charges, website posting, email distribution, submission of documents to ratings agencies, copies and scanning are included in the fees set forth above.
APPENDIX C

DISCLOSURE OF CONFLICTS OF INTEREST

FIXED FEE

Under a fixed fee form of compensation, the municipal advisor is paid a fixed amount established at the outset of the transaction. The amount is usually based upon an analysis by the client and the advisor of, among other things, the expected duration and complexity of the transaction and the agreed-upon scope of work that the advisor will perform. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, the advisor may suffer a loss. Thus, the advisor may recommend less time-consuming alternatives, or fail to do a thorough analysis of alternatives. There may be additional conflicts of interest if the municipal advisor’s fee is contingent upon the successful completion of a financing, as described below.

CONTINGENT COMPENSATION

The fees to be paid by the Village to Munistat Services, Inc. are contingent on the successful closing of the transaction. Although this form of compensation may be customary, it presents a conflict because Munistat Services, Inc. may have an incentive to recommend unnecessary financings to the Village. For example, when facts or circumstances arise that could cause the financing or other transaction to be delayed or fail to close, Munistat Services, Inc. may have an incentive to discourage consideration of alternatives that may result in the cancellation of the financing or other transaction.

Munistat Services, Inc. manages and mitigates these conflicts primarily by adherence to the fiduciary duty which it owes to municipal entities which require it to put the interests of the Village ahead of its own.

OTHER MATERIAL CONFLICTS OF INTEREST

Munistat Services, Inc. has determined, after exercising reasonable diligence, that it has no other known material conflicts of interest that would impair its ability to provide advice to the Village in accordance with its fiduciary duty to municipal entity clients. To the extent any such material conflicts of interest arise after the date of this Agreement, Munistat Services, Inc. will provide information with respect to such conflicts in the form of a written amendment or supplement to this Agreement.

1. That Peconic Landing may convert unit number 107 to a duplex unit, and may also convert up to nine (9) additional units to duplex units, and Peconic Landing, at its sole cost and expense, agrees to install any changes to the System that are required because of this contemplated conversion.
