2 after prior discussion during the  
3 announcements of the meeting.)

5           MAYOR NYCE: I will offer a  
6 resolution at this point to make a  
7 motion that the Board waive the thirty  
8 day notification for the State Liquor  
9 Authority application for "The Blue  
10 Canoe" at the site of the old Chowder  
11 Pot Pub, in order for them to open for  
12 the coming season.

13           MS. KMPNER: Second.

14           MS. PHILLIPS: The only comment I  
15 have to make, as Mr. Murray has not  
16 looked at the site, is that at the  
17 building inspector has questioned the  
18 CO situation in dealing with the  
19 liquor license and I know that some  
20 other people who have have renewals  
21 have questioned why they need to go  
22 through the process. I think we  
23 should just know that. I understand  
24 that wanting to get the business up  
25 and running, but I just want to make

1           sure everyone is aware of the facts  
2           that this is the reason that we are  
3           doing this and there is a process that  
4           we are going to let go to get them up  
5           and running.

6           MAYOR NYCE:    Absolutely.  Any  
7           other discussion on this motion?

8           I will call a vote then.

9           All of those in favor.

10          THE BOARD:  Aye.

11          MAYOR NYCE:  Any opposed or  
12          abstentions?

13          That motion carries.
