(The following resolution was made after prior discussion during the announcements of the meeting.)

MAYOR NYCE: I will offer a resolution at this point to make a motion that the Board waive the thirty day notification for the State Liquor Authority application for "The Blue Canoe" at the site of the old Chowder Pot Pub, in order for them to open for the coming season.

MS. KMPNER: Second.

MS. PHILLIPS: The only comment I have to make, as Mr. Murray has not looked at the site, is that at the building inspector has questioned the CO situation in dealing with the liquor license and I know that some other people who have have renewals have questioned why they need to go through the process. I think we should just know that. I understand that wanting to get the business up and running, but I just want to make
sure everyone is aware of the facts
that this is the reason that we are
doing this and there is a process that
we are going to let go to get them up
and running.

MAYOR NYCE: Absolutely. Any
other discussion on this motion?
I will call a vote then.
All of those in favor.
THE BOARD: Aye.
MAYOR NYCE: Any opposed or
abstentions?
That motion carries.
