The Board of Trustees hereby finds that it is necessary to amend the off-street parking requirements contained in Chapter 150 of the Greenport Village Code due to the fact that that the existing requirements were adopted in 1990, and there have been significant changes in the development of the Village, the uses in the commercial and residential districts, and the needs of the residents, workers, visitors and guests of the Village for parking in the more than thirty years that the existing regulations have been in effect. The purpose and intent of this Local Law is to adopt amendments to the off-site parking regulations contained in Chapter 150 that will benefit the residents, guests, workers and visitors of the Village of Greenport and the businesses and institutions of the Village of Greenport by amending the parking regulations contained in Chapter 150 of the Greenport Village Code to address the need for parking in the Village, to promote the orderly development of the Village, to provide reasonable access to the services and benefits offered in the Village, and to provide the parking and access that is required for the workers, residents, guests, and visitors in the Village.
