Pre-Incident Planning-

1. 1st Asst Chief Miller reported that he has the contact number for the campground. N. Corwin mentioned that they are doing some kind of fundraiser in Moore's woods and are looking for kids to donate their time. She said it's important for us to be aware of things like this. P. Harris said that if they are going into Moore's woods the Village should know about it and have a mass assembly permit.

Service Awards- No Report.

Recruitment-

1. 2nd Asst Chief Nyce reported that the recruitment meeting was held and him and C. Harris were the only ones to show. They wanted to discuss/clarify how applications go through the department. It would stay the same but reinforce that when a company member gives out an application, they should also supply the person with a contact within that company. Once it gets back to the company and its approved it goes to the Chiefs who then bring it to the Wardens.
2. 2nd Asst Chief Nyce had discussions with GFD/Village Liaison and The Mayor and the Mayor would like to help with recruitment which he takes to mean monetarily. RecruitNY has a campaign. This year they are making red light bulbs available in support of EMS/First responders for people's front porches. He would like to use the electric fund line item to purchase the bulbs. He would also like permission to participate in RecruitNY this year in April. There are two weekends they have two open houses. He would like GFD to participate. If we would like to participate the recruitment will get together and start putting things together.
3. 2nd Asst Chief Nyce also said they would like to ramp up recruitment and there is a portion of the population we are not recruiting from because a part of the bylaws requires citizenship to be a member. He said he would like to reach out to the attorney to get the right wording to make a bylaw change. If a person can legally be paid, they should be able to be a volunteer as well. All Wardens were in favor of moving forward with reaching out to the attorney to get the right wording for the bylaw change and then go from there. Mary Bess Phillips will reach out to the Attorney for proper wording.

Casualty Fund- No Report.

1. Chief de Kerillis reported that Suffolk County Fire is doing a U-TAC 43 radio test October 24 1900-2000 hrs.

GOOD OF THE DEPARTMENT

1. P. Harris asked if there was any update on the grant. Mary Bess Phillips explained that the state requested more info after their review. She and P. Brennan had to get the requested information together, so it is in process. In order to have a true idea of how much money is going to be needed for the boat, we can go out to bid. It does not need to be accepted. 1st Asst Chief Miller said that there was a price attached to the original specs to the boat and asked if that is

good enough. P. Brennan said that the quote is a couple of years old. It was the boat and equipment need as well along with some padding for inflation. We never provided a cost breakdown which is what they are asking for now. The boat is the only thing that's going out to bid not the equipment. 1st Asst Chief Miller asked if we could call Munson and tell them we are looking to go out to bid and ask them if the price is still about the same. Mary Bess Phillips said that there is going to be a point where the fire dept is going to need to know what the total amount is going to be which is why there is the suggestion of putting it out to bid to get a true picture. The Village Board is also going to need to know. Once the \$500,000 comes there has to be additional funding from some place else. We don't need the bidding to complete the application, but we need the information so that P. Brennan and I can go back to the Village Board and say what the grand total is and decide if they'll be searching for additional grant money. Much more discussion ensued. P. Brennan said that he is meeting with R. Jester on Friday to dot the I's and cross the t's on the specs.

2. P. Harris asked if we are doing anything for fire prevention. 2nd Asst. Chief Nyce said that on 10/22 we are going to GHS. 10/26 is the Halloween Parade. S. Hollid said that he ordered some new stuff. It is Pre k and Kindergarten through 2nd grade. At some point he would like to do a maze with the smoke house from Cutchogue. N. Corwin said that Nov. 4th the ambulance is going to the school. S. Hollid said that he would like to do something with the high school and fire pit safety.
3. R. Hamilton mentioned that at the Fire Police meeting he said that the Fire Police needs to make sure the fire fighters and Rescue Squad are back to the vehicles and leave before the Fire Police leave. We have to make sure that are people are safe. We can't just leave once we hear there's a signal 5.
4. 2ND Asst. Chief Nyce reported that December 6th the library is doing a show of the members in the Calendar from 6-8pm. He would like permission to bring a truck and gear.
5. 2nd Asst Chief Nyce mentioned that there will be a second fitting for Class A Uniforms November 5th.
6. 2nd Asst Chief Nyce also said that he got a copy of the Village's hydrant map and went around with our districts maps and there were

discrepancies and hydrants that haven't been tested. He was able to make a complete map. There are 91 hydrants.

7. Mary Bess Phillips reported that LIRR is scheduled to remove the track by 4th street. November 11-24th the portion of that street will be closed. She just wanted to make the Wardens aware in case there is an emergency.
8. 1st Asst Chief Miller asked if there was any movement on 4th Avenue. Mary Bess Phillips said that it is a part of the paving etc. The code committee is waiting for info from the Mayor.
9. Chief de Kerillis said that next year they are looking to add a civil service fire house administrative officer. He read the job description. The salary range is \$55-65,000. It will be full time. N. Corwin asked if it takes place of the two part timers. Chief de Kerillis said that it would. N. Corwin asked if this person would be doing the ambulances and 800s too. She said that the ambulance needs someone too. S. Hollid mentioned keeping the ambulance portion separate. 1st Asst Chief Miller said there still has to be more discussion about this. Mary Bess Phillips told the Chiefs to make sure they work with Candance on this.
