Relief Hose Co. #2- Requesting to hold a car show 10/13 at polo grounds, 6 replacement stream light flashlight batteries, budget items, permission to reinstate the dance at Washington's birthday and have duties reassigned. They do not have the battery inventory.

### **UNFINISHED BUSINESS –**

- 1. 2<sup>nd</sup> Asst. Chief Nyce brought up the radios and getting a grant for them. He got some quick numbers and the idea is for each truck to get 2 apx 8000 radios which are \$8,000 a piece and 3 apx 6000s being \$6,000 a piece. Car chargers are a part of the cost and we wouldn't necessarily need them because the chargers we have in the trucks would charge the apx 8000s and 6000s, not the PR 1500s. The bank chargers would have to go and we would need to get the car chargers for those. More discussion ensued about using the grant guys we have already paid. Mary Bess Phillips mentioned the CAD program and trying to get a grant for that. She also said that as long as the Chiefs include her in everything, we can make sure it goes to the work session. Motion made by W. Manwaring, seconded by A. Volisnki III, to move forward with 2 apx 8000s and 3 apx 6000s per truck and to move forward with the grant writer. Motion Carried.
- 2. 2<sup>nd</sup> Asst Chief Nyce reported the web page should be up and running soon. They would love pictures of each apparatus for the page.
- 3. 2<sup>nd</sup> Asst Chief Nyce also reported that the photos for the calendar are done, and it is going to cost more than he expected. They want to print 500 of them and the total cost will be \$3,750. Selling them at \$25 per calendar. The back of the calendar will have info for recruitment etc. He is looking for authorization to spend that amount on the calendars.

- 4. 2<sup>nd</sup> Asst Chief Nyce said that they met with Peconic Landing and San Simeon. It went well. Peconic Landing's EMTs will ride on the ambulance. He suggested getting a tablet for them to use at Peconic Landing. They just need to figure out the two EMTs that are a part of other departments. They can't get LOSAP points, but we need letters from their departments saying they can ride.
- 5. 1st Asst Chief Miller read an email from the grant guys and said all they need to do is reach out to Alex.

### REPORTS OF DELEGATES- None.

### **NEW BUSINESS-**

1. 2<sup>nd</sup> Asst. Chief Nyce asked about having a battery back up for the radio room and if whether or not we can do it. Chief de Kerillis said that he will have Bob talk to Dennis.

### **GOOD OF THE DEPARTMENT**

- 1. Motion made by A. Volinski III, seconded by W. Manwaring, to approve the date for the wet down. Motion Carried.
- 2. N. Corwin said that she doesn't think we should get a new tablet for Peconic Landing, she said they can do it on a computer. D. Nyce said that he thought it was a good idea since they would be riding. N. Corwin said that she has a tablet from 80 that isn't being used. W. Manwaring mentioned using the tough book that's sitting in the Chief's desk. N. Corwin said she recently brought up voluntary duty night. She said Janet (from PL) lives in Mattituck and she would never make it to a call. We should let them pick one night a week for four hours for a standby which will get them a point.
- Motion made by W. Manwaring, seconded by N. Corwin, to approve printing the calendars using money from the May Mile which will be replaced back into that account along with the proceeds. Motion Carried.
- 4. Motion made by A. Volinski III, seconded by W. Manwaring to approve the request from Relief Hose to do the Car Show at the polo grounds 10/13. Motion carried.
- 5. P. Harris asked if we are changing from the picnic to Xmas party. Chief de Kerillis said that it was supposed to be brought back to the companies to decide although at this point we aren't going to be

- having the picnic. The Warden's will bring it back to each company this time.
- 6. Motion made by A. Volinski III, seconded by W. Manwaring, to donate \$250 to the Burn Center from the Wardens and also take it back to each company in case they want to donate individually. Motion Carried.
- 7. 2<sup>nd</sup> Chief Nyce asked if we have received anything for FASNY dues. Chief de Kerillis said that we have not. 2<sup>ND</sup> Asst Chief Nyce said that he received an email saying he was no longer a member. He is going to call FASNY to find out if it's easier to do it as a whole department or individually.
- 8. Motion made by B. Purcell, seconded by W. Manwaring to approve the dart league's use of the downstairs Oct thru April. Motion Carried.
- 9. 2<sup>nd</sup> Asst Chief Nyce mentioned that tomorrow there is going to be a public hearing for proposed local law for loitering/public conduct the Chiefs plan to attend in response to the alcohol overdoses happening. Southold Town PD has been working with the Village to develop a code.
- 10. Mary Bess Phillips mentioned that on the agenda, tomorrow night, is a resolution to hire a part time building inspector. She also said that the business improvement district is looking at loading zones. She wants the Chief's to be included in that so that it is not in a spot that makes it difficult to get through. She is also going to take care of the road in the back of the fire house at the same time.
- 11. Motion made by C. Harris, seconded by W. Manwaring, to hold a Christmas parade December 7<sup>th</sup>, in conjunction with the Village. Motion Carried.
- 12. C. Harris reported that he is buying a house outside of the district, so the Wardens need to find a new Treasurer.
- 13. R. Hamilton mentioned that the cage for the propane still does not have a lock.

### **EXECUTIVE SESSION**

Upon returning from executive session, a motion made by P. Harris, seconded by C. Harris, to resume with the regular meeting. Motion Carried. Regular meeting resumed at 8:31 pm.

### **READING OF THE MINUTES**

Motion by W. Manwaring, seconded by C. Harris, to dispense with the reading of the minutes of tonight's meeting. Motion carried.

### **ADJOURMENT**

Motion by C. Harris, seconded by W. Manwaring, to adjourn. Motion carried. The meeting was adjourned at 8:31pm.

## Work Session Report Recreation Department

September 19, 2024

### Mitchell Park Marina/Parks

- Repairs to Floating Visitor's Dock are to change the dock from floating docks that are old and unsafe to a fixed pier in the off season.
- The Carousel received repairs to the center ring, horses and pinion sweep supports.
- Routine maintenance of Mitchell Park includes grounds, restrooms and all marina facilities.
- ❖ The hours of operation for the carousel continue on the summer schedule from 9:00 am - 8:00 pm daily through August.
- Mitchell Park Marina continues to be sold out on the weekends for both the floating dock and the East Pier.
- Marina waterways have been too rough. Boat lines and boat damage has occurred due to excessive boat wakes in Greenport Harbor, and lack of marine patrol enforcing no wake zones and speed limits.
- Fifth Street Beach Pier has received repairs to its decking, along with attention to loose screws.

The Mini Railroad continues to be operating Friday through Sunday 11:00 am - 3:00 pm. It's continues to be doing great and has been bringing in much revenue.
