Each parent would then bring in some paperwork to be filled out by the after school program (3 pages).

Mass Assemblies:

Chapter 44-1.1: (Italics mine)

• • •

MASS ASSEMBLY EVENT

Any organized parade, procession, walk, run, march, race, ride, motorcade, concert, theatrical event, cultural event, exhibit, fair, fundraising event, boat show, car show, sporting event, catered event or any other similar social occasion or event or activity that involves the planned one-time assembly of persons for a common purpose, with or without a requirement for the payment of any fee or donation or any sponsorship, of more than A) to the extent utilizing in whole or in part any i) public space, ii) public waterway, iii) public right-of-way or iv) private property located in any residential area, the lesser of a) such number of persons as shall be prescribed for any applicable public park pursuant to Chapter 101 and b) 50 persons;

(Add exceptions for churches and library? Is 50 the right number? Does this capture sports clinics? Change our application to say 50 or 100 for private property in a non residential area?)

or B) in all other cases, 100 persons. Examples of mass assembly events may include, without limitation, a circus, carnival, fair, festival, block party, marathon or other running event, bicycle race or tour, sporting tournament, spectator sporting event (such as football, baseball and basketball games), art show, craft fair, barbecue, reception party, wedding, family reunion, graduation party, birthday party, dance or movie screening event.

(Do we want this in at all? Wouldn't it require permits for Blast for Cast, events at American Legion, East End Seaport Museum or NFAC?)

Chapter 44-2B:

A mass assembly permit shall not be required for any of the following:

(5)

Events sponsored by the Village of Greenport, including, without limitation, an annual Halloween parade, an annual Christmas parade and tree lighting, an annual menorah lighting, a summer concert series in Mitchell Park, an Easter egg hunt, and other similar events; or

(Take this out? Or leave it in and make these announcements instead of resolutions? Vision for Greenport meetings? Fire Department events?)

Use of the schoolhouse: historically, the schoolhouse has been used for meetings of the historical society, classes run by CAST, BID meetings, Skate Park meetings, Glory Going Green youth workshops, Pride student art exhibits, etc. Do we want to require mass assembly permits? Insurance? Do we want to allow use by other nonprofits like the Butterfly Effect Project or Family Service League? Or ad hoc community groups? What's the capacity of the schoolhouse (under 50 or 100?) Is it considered public space?

Insurance requirements? Garbage, staff, fees?

Suggestions (with thanks to Planning Board chair):

Change application to include amplified music and different categories of amounts of people

Clarify nonprofits (churches, libraries, museums, arts) and site plan compliance (restaurants)

6 exceptions for nonprofit events (like Blast for Cast)

Residential: should number be 50 or 100 or take out completely?

Deal with Village sponsored events as resolutions, not permits (including Fire Department)?

Policy for schoolhouse - allow education and not for profits

Recreation code could limit number of people further in parks

Pull catering and exceptions out of entertainment permit (zoning chapter update)
