Area Variance Reasons for Appeal:

Please answer in detail. *Additional sheets may be submitted with preparers signature.*

Will an undesirable change occur in the characteristics of the neighborhood or will a detriment to nearby properties be created by the granting of this area variance?

NO, the change will add to the characteristics of the neighborhood and near by properties will not be affected.

Can the benefit sought by the Applicant be achieved by another method, feasible for the Applicant to pursue, other than an Area Variance?

NO. The existing building is already non conforming. The garage and pool house will add character.

Is the requested Area Variance substantial?

The proposed pool and garage + pool house are in line with pre-existing non conformities.

Will the requested Area Variance have an adverse effect or impact on the physical or environmental conditions in the neighborhood or district?

NO, the proposed construction will not be directly impacting on the environment or conditions in the neighborhood.

Was the alleged difficulty self-created, which consideration shall be relevant to the decision of the Zoning Board of Appeals, but shall not necessarily preclude the granting of the Area Variance?

NO, the proposed construction is already on a non conforming lot.

Are there Covenants or Restrictions concerning this land? Yes No

If yes, please furnish copies.

VILLAGE OF GREENPORT
BUILDING DEPARTMENT

PLEASE TAKE NOTICE that your application dated June 3, 2021, to install an inground swimming pool and convert a garage into an artist studio at the property located at 302 Sixth Street, is returned herewith and disapproved on the following grounds:

1. Only 1 (one) dwelling per lot is permitted.

§ 150-8 R-2 One- and Two-Family Residence District.

In an R-2 One- and Two-Family Residence District, no building or premises shall be used, and no building or part of a building shall be erected or altered which is arranged, intended or designed to be used, in whole or in part, for any purpose except for the following:

A.

Permitted uses.

(1)

Any use permitted in an R-1 One-Family Residence District as provided in § 150-7A.

(2)

Two-family dwelling.

§ 150-7 R-1 One-Family Residence District.

In an R-1 One-Family Residence District, no building or premises shall be used and no building or part of a building shall be erected or altered which is arranged, intended or designed to be used, in whole or in part, for any uses except the following:

A.

Permitted uses.

(1)

One-family detached dwellings, not to exceed one dwelling on each lot.

The plans show a proposed garage conversion into an artist studio. This would create 2 (two) dwellings on the lot. This would require a use variance for a second dwelling.

2. The property location is not within the Arts District boundaries.

§ 42-3 Boundaries.

The Greenport Arts District shall encompass that area bounded as follows: Zones 1, 2 and 3 of the Village of Greenport. (As defined in the Zoning Map of the Village of Greenport).

This property is not located within the Art District boundary. This property is located in Section (Zone) 6. This would require a use variance for an artist studio in a non-artist district.

3. The inground swimming pool does not meet required setbacks.

§ 150-7C(3)

Garden house, toolhouse, playhouse, wading pool or swimming pool incidental to the residential use of the premises and not operated for gain, provided that swimming pools of any size and a depth in excess of six inches shall be subject to the following requirements:

(a) The edge of the pool shall be kept a distance of not less than 20 feet from all property lines.

A. The Plans show the proposed pool with a north setback of 16-feet. The minimum requirement is 20-feet. This would require an area variance of 4-feet on the north side.

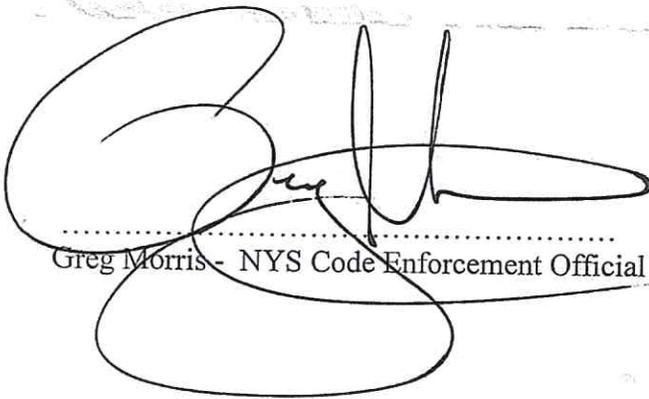

B. The Plans show the proposed pool with a south setback of 16-feet. The minimum requirement is 20-feet. This would require an area variance of 4-feet on the south side.

This application is therefore denied, requiring the above-mentioned use and area variances.

The premise to which this application applies to is located at:
302 Sixth Street, Greenport, New York 11944.

This property is located in the R-2 District. This Property is not located in the Historic District.
